EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 55-67 have been canceled due to non-elected invention.

Allowable subject matter

Claims 1-6, 8-13 and 68-94 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art neither discloses nor suggests the following limitations, in combination with the remaining elements as disclosed in claims 1, 8, 84.

- the list of search results including a first search result that includes a first link to content that is currently unavailable through invocation of the first link and a second search result that includes a second link to content that is currently available through invocation of the second link; and an indicator corresponding to the first search result and providing a perceivable indication that invocation of the first link will not presently access, at an address associated with the first link, content corresponding to the address such as required by claim 1.
- The list of search results including a first search result that includes a first link to content determined to be inappropriate for a first age-based level

and a second search result that includes a second link to content determined to be appropriate for the first age-based level; and an indicator corresponding to the first search result and providing a perceivable indication of a determination, other than content accessed at an address associated with the first link, that content associated with the first link is inappropriate for the first age-based level such as required by claim 8;

- A list of search results including links to content identified by the search tool in performing a search routine based on the search criteria provided by the user as user input to the search tool, the list of search results including a first search result that includes a first link to first content and a second search result that includes a second link to second content; a first indicator corresponding to the first search result and providing a perceivable indication of a first metric related to the first content, the first metric being determined based at least in part on a numerical presentation corresponding to viewings of the first content by people that are associated with the user; and a second indicator corresponding to the second search result and providing a perceivable indication of a second metric related to the second content, the second metric being determined based at least in part on a numerical representation corresponding to viewings of the second content by people that are associated with the user such as required by claim 84.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
